

JEWELLS IN AFRICA

FURLOUGH IN THE U.S.!

After a wonderful start to the new school year at RVA, we've returned to the U.S. for our first furlough since 2018! We are so excited and thankful for this time to be "home" and reconnect with family and friends.

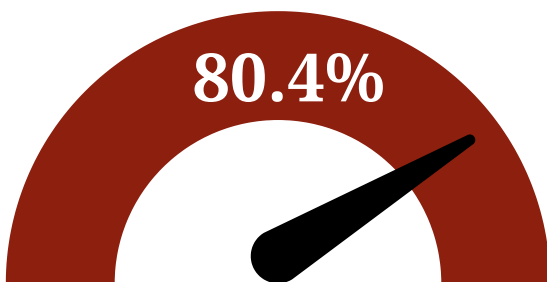

We still love living in Jr. High and are excited to continue doing it when we return to RVA in August!

ANSWER TO PRAYER!

We are so thankful for the vehicle God provided for us to use while we are in the States! Thank you so much to those who made this possible for us!

(current monthly support)

WOULD YOU CONSIDER PARTNERING WITH US?

The support of our financial partners is what makes it possible for us to be at RVA. Thank you to those who serve in this way! If you would like to partner with us, please visit our website (below) and click on the link in "PARTNER WITH US."

Please pray for our dorm boys as they finish out 7th grade at RVA.

HELL'S GATE NATIONAL PARK

In February, Dave organized a field trip for the 7th grade class, which included our dorm boys. They got to rock climb, rappel, and ride bikes in one of Kenya's beautiful national parks!

Okapi Dorm

We've had a great year getting to know our new group of dorm boys! Since moving into Okapi last August, these guys have shown a lot of growth and settled in to life at RVA. One of our favorite things about them is how teachable and receptive they are to guidance.
